RICHARD L. CAÑAS  
DIRECTOR

### NOTICE OF JOB VACANCY

Posting Number: 06-09S

An opportunity currently exists in the Department of Law and Public Safety, Office of Homeland Security & Preparedness for State employees within the unclassified service who meet the minimum job requirements specified below:

TITLE: Geographical Information Systems Specialist 2 (40 hour workweek)

SALARY: \$54,106.78 - \$76,974.16

LOCATION: Office of Homeland Security and Preparedness  
PO Box 091  
Trenton, NJ 08625

DESCRIPTION OF JOB: Under the direction of the Chief Technology Officer and with input from the Chief, Critical Infrastructure Protection Bureau, is responsible for designing, developing, coordinating and conducting computerized geographical information system work relating to the geographic analysis of environmental parameters and/or other factors, image processing, interpretation and application of remote sensing data, and mathematical cartography research; coordinates and conducts the operation and maintenance of computer hardware and software associated with the Geographic Information System. Serves as a liaison to the County Infrastructure Protection Bureau and County Infrastructure Coordinators to identify asset tracking between geographical regions through the Critical Asset Tracking System (CATS).

#### REQUIREMENTS:

Education: Graduation from an accredited college or university with a Bachelor's degree.

Experience: Three (3) years of experience in geographic information systems including computer graphics and computer hardware digitizing procedures.

NOTE: A Master's degree in Geography, or Environmental Science may be substituted for one (1) year of the indicated experience.

NOTE: Applicants who do not possess the required education may substitute additional experience as indicated on a year-for-year basis with thirty (3) semester hour credits being equal to one (1) year of experience.

NOTE: A Bachelor's degree in Geography, Environmental Science or related field with twelve (12) semester hours in computer mapping/GIS which shall have included spatial programming and digital image processing may be substituted for one (1) year of experience.

If you are interested in the above position, please send a letter, or email, (including posting number) and resume to Anita Bogdan, Chief Administrative Officer, Office of Homeland Security and Preparedness, PO Box 091, Trenton, NJ 08625 (or to [ohspresume@ohsp.state.nj.us](mailto:ohspresume@ohsp.state.nj.us)) no later than September 8, 2006.

This may be a lateral transfer / promotional opportunity depending on qualifications and experience of applicants. This department is committed to the principles and practices of Equal Employment Opportunities and Affirmative Action and the Americans with Disabilities Act.
